

The Tribest Personal Blender has been tested and recommended by National Health & Wellness Club members.

TRIBEST[®] personal Blender[™]

*Make it your way, in your own cup.
And drink up!*

With its Blend-N-Serve cups, it's the portable ice-crushing, smoothie making, coffee grinding powerhouse for people on the go!

As versatile as it is portable, the Personal Blender allows you to blend multiple recipes without having to stop and clean a bulky blending jar every time you switch recipes. Just add your ingredients in one of its single-serving cups, blend, and serve. You drink right out of the Blend-N-Serve cup, so there's no extra mess to clean up, no cumbersome jar to wash. And, everyone can get exactly what they want.

In under a minute, enjoy the nutritious and delicious recipe of your choice, in your own cup, while making a different recipe for a friend or loved one, in their own cup. With the Tribest Personal Blender, life's a whole lot tastier.
